

**Rev It Up! Full Throttle for God** is a gospel-centered curriculum that weaves the salvation message into each lesson. It's built around a solid theological framework and motivated by a desire to teach Bible truths using age-appropriate methods.

The 2011 VBS program's flexible rotational model allows you to maneuver through various points of the **Rev It Up! Speedway**: Your racing teams will meet together for a time of worship and singing during the Opening & Closing Assemblies. They may even get to meet Speedy the racing turtle (puppet), the official race mascot! Your team meets daily to get refueled through Bible Exploration time. You'll have fun fixing crafts and playing games! And of course, your teams will enjoy snacks—some that you even make yourself. Let's take a closer look at what each team will encounter throughout the race:
